

Factory for the Children

The Ryongbong School Things Factory in the Democratic People's Republic of Korea produces *Haebaragi*-brand school things, which are favoured by all children in the country. The products are supplied to them free of charge.

A panoramic view of the Ryongbong School Things Factory
inaugurated in October 2019

A set of *Haebaragi*-brand school things

All the primary school freshers have received *Haebaragi*-brand school things.
