

## **Respected Comrade Kim Jong Un Visits NATA Pyongyang General Control Center to Learn about Operational Preparation of Reconnaissance Satellite**

Pyongyang, November 25 (KCNA) -- **Kim Jong Un**, general secretary of the Workers' Party of Korea (WPK) and president of the State Affairs of the Democratic People's Republic of Korea (DPRK), visited the Pyongyang General Control Center of the National Aerospace Technology Administration (NATA) on November 24 to review the operational preparation of the reconnaissance satellite and watched the aerospace photos taken on Friday.

He was accompanied by Kim Jong Sik, vice department director of the WPK Central Committee.

The NATA of the DPRK reported in detail to the respected Comrade **Kim Jong Un** on the fine-tuning process of 62 hours after the advance of the reconnaissance satellite into its orbit and the fulfillment of its present mission.

**Kim Jong Un** learned in detail about the photos of major target areas in the enemy region, including Mokpho, Kunsan, Phyongthaek, Osan and Seoul, and of various regions in the country, taken by the reconnaissance satellite while passing through the Korean Peninsula from 10:15 to 10:27 a.m. on Friday.

The NATA reported to him on the plan for photographing the enemy region and the additional fine-tuning process of the reconnaissance satellite on Saturday morning. -0-
