

Night View of Pyongyang

These are night scenes of Pyongyang, the capital of the Democratic People's Republic of Korea.

The Tower of the Juche Idea (170m), known as the highest stone tower in the world, the Chollima Statue, the decorative illumination along the streets, the lights from the dwelling houses harmonize well, adding much to the beautiful night scenery of the city.

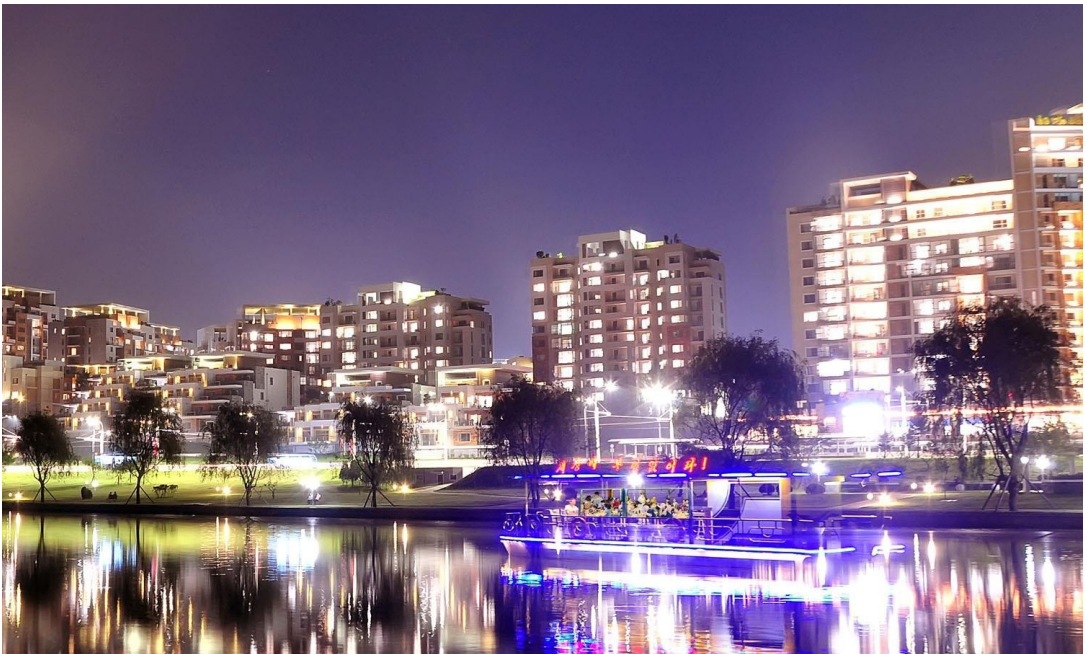

Tower of the Juche Idea

Chollima Statue

Mirae Scientists Street

Pothong Riverside Terraced Houses District

Songhwa Street

Ryomyong Street

Hwasong Street completed in April 2023
